

**Beth High**

Beth High is President of HighRoad Consulting. She and her team work from a core belief that demonstrating exemplary leadership: is possible for anyone, starts with a personal choice, and takes practice. Beth is a Certified Master Facilitator of The Leadership Challenge® and has worked around the globe introducing the Five Practices of Exemplary Leadership model. She has developed several online programs including:

Leadership in the Workplace and The Leadership Challenge® Workshop Online. These programs tap into the potential of online learning communities for follow-through, practice and professional development. She and her partners created **FollowThruOnline(TM)** a turnkey service that provides an Online Mentoring Hub for Professional Development Training and reporting on developmental changes and their impact on the organization. She worked closely with the authors on the [2<sup>nd</sup> edition of The Student Leadership Challenge®](#), and co-authored [The Student Leadership Challenge Student Workbook](#), [The Student Leadership Challenge: Facilitation and Activity Guide](#), and [The Student Leadership Challenge Activities Book](#) newly released in 2014.
