Making the world a better place  
through Leadership Development

Whether it is working with an individual or a team, C.A.J. Leadership Consulting is passionate about engaging leaders at all levels. Our experience and knowledge of The Leadership Challenge® products allows for a customizable facilitation of The Five Practices of Exemplary Leadership.

As an experienced facilitator, Cheryl Azevedo Johnson offers engaging programs for professional and personal development. She is committed to helping you create the best Leadership Challenge experience possible. Cheryl will work with you to develop a customized leadership development program.

Cheryl is a Certified Master for The Leadership Challenge® and a Certified Coach for the Leadership Practices Inventory®. In addition, she is certified in DiSC Work Styles Assessment and the Myers Briggs Type Indicator (MBTI).

One-on-one coaching, team building, and retreat facilitation are also available. Contact Cheryl to see how you can grow and develop as a leader. We believe that all things are possible. Unless we try, we will never know what great things we can achieve together.

In her free time, Cheryl enjoys her 40 acres of forested land in southwestern Oregon – tending to her orchard, vegetables, and flower garden. She serves her local community as a board member of several non-profit organizations.
