

## Evans Kerrigan

***“In improving organizational outcomes, being intentional about our culture is a key strategy. Focusing on our leadership behaviors and practices is key to creating the culture we desire.”***

***Do you want to increase employee engagement?***

***Do you want to increase the effectiveness of your leaders at all levels?***

Evans Kerrigan works tirelessly in both corporate and public sectors as a dynamic business consultant, presenter, and coach. With over 30 years of experience working with multi-national organizations such as Cisco, Sun Blue Cross Blue Shield, BP, State of Arizona and King County Washington, Evans has been at the forefront of change management--building healthy organizations and creating great places to work. His contributions to these organizations have been credited with increasing employee engagement scores, dramatic reductions in costs and improvement in efficiencies and revenue, resulting in improved operational excellence.

As a Certified Master of The Leadership Challenge® and expert facilitator, Evans is passionate about implementing proven methodologies and strategies that work. He makes a difference by helping hundreds of government leaders and executives across the country work at their highest potential.

Evans and his firm, Integris Performance Advisors, approach people development at the individual contributor, team and executive level. This approach is key to transforming cultures and streamlining business operations.

Evans holds the following credentials:

- Certified Master of The Leadership Challenge®
- Certified Master Black Belt in Lean and Six Sigma
- Accredited Facilitator of The Five Behaviors of a Cohesive Team
- Everything DiSC Certified Trainer
- Leadership Practices Inventory Coach Certificate
