

**TITLE** The Effect of Principal Leadership Practices on Maturity of Schools as Professional Learning Communities

**RESEARCHER** Shellie A. Feola  
School of Graduate and Professional Studies  
Gwynedd Mercy University (Pennsylvania)  
Unpublished doctoral dissertation: May 2017

**OBJECTIVE** The purpose of this study was to investigate the relationships between the principal's leadership practices and the maturity level of the school in becoming an effective professional learning community while controlling for principal's gender, number of years of experience, and number of years in the position.
