

Michael T. Neiss

A passion for developing leaders

Mike brings over twenty-five years of experience helping others become their best leader self using the Leadership Challenge! Mike's work has been recognized at a level of excellence necessary to be named one of the first Certified Masters. He has gained a reputation as a great teacher with a straight forward practical approach. Mike's deep understanding of the research and model is coupled with real life examples and stories from his work that makes the lessons of the Leadership Challenge come alive. As a consultant, Mike has partnered with great organizations to help build powerful leadership cultures that produce extraordinary results. Some things to know about Mike:

- Served a leadership role in operations for United Parcel Service
- Held leadership roles in organization development for Consumers Power and General Motors.
- Conducted over three hundred Leadership Challenge sessions and presentations worldwide. Speaks LPI fluently!
- His client list comes from all sectors. Find out more at his website.
- He loves his job. And it shows.

“Simply the best speaker we had for our leadership series.”

“Passion and energy coupled with nuts and bolts ideas.”

“He talked with us, not at us, about our potential.”
