## Testimonials

“The success of our association continued by roping Mr. Shridhar for developing leaders in the organization. There was a clear need for some development for senior managers to upgrade their leadership skills. Shridhar suggested to us the approach of taking the **Leadership Challenge** course which started with some pre-assessments to see where people stand as of today. A **LPI 360** approach helped the exercise to check the before and after impact of the interventions. As a result every leader improved their scores on the 360 indicators. Overall participants were more self-aware, knew the areas they need to improve upon and had a broader view of “what success looks like for them as a leader”. We highly recommend Shridhar for his expertise in developing leaders which helps take the organization forward towards their vision” – **Jiten Puri – Head – L&D – Aujan Coca Cola Beverages company – Dubai/KSA**

“We thank Mr. Shridhar from the bottom of our heart as a Guide, Mentor and more over ‘friend in need’ who changed our employees’ attitude and behavior both in their professional and personal life. We still cherish the good memories of his (**Leadership Challenge**) session which was conducted two years back. We are getting requests from our employees for further sessions with Mr. Shridhar on other areas of his expertise as well.” – **Alex John – Finance Manager – Canpack ME**

“The three-day **Leadership Challenge workshop** in Jeddah and one day in Dubai were great. I would just like to say thank you for the effort and expertise that you brought to the workshops in these days. I found both workshops very informative, well presented, plus enjoyable. I have taken many things (professionally and personally) away from the workshops and learned so much from your training that will assist me in my workplace. I have already started to use some of the strategies and tools you gave us to use they are working remarkably well. I came away from the workshop feeling so confident and it really does help” – **Waleed AIFayyad – GM – HSE – NOMAC, KSA**
